Parental Notice of Withdrawal from Physical Education Lessons

All children are expected to take full part in all Physical Education activities at school. This includes Outdoor Games, Swimming, Athletics, Dance and Gymnastics. Physical Education is part of the statutory curriculum that all pupils are entitled to do.

We understand that there may be occasions when children are unable to access this subject, for example a broken arm or a recent accident. If children are at school then they will be deemed well enough to take part in PE lessons. If a child has had a recent bad cold then this in itself is not a reason to be withdrawn from the lessons.

Please use the form below to notify the school of the need to withdraw from PE lessons on a temporary basis. Please specify the dates that you are requesting withdrawal to avoid any confusion on the part of the class teacher. Please complete the attached form and return to school prior to the PE lesson.
