Young Explorers Pre-School – Registration of Interest

The Young Explorers Pre-School is a high quality pre-school transition unit that enables pupils, from the age of 3, to be a part of the school community before they are admitted into our reception classes. Our ethos around early years is that play based learning and exploration are key to a child's development and that giving children the best opportunity early in their formative years can mean a head start in their education.

The numbers of Young Explorers we can take each year is dependent upon the number of children starting in Reception Class that year and overall capacity. Therefore we are not able to confirm the number of places we can offer Young Explorers until May.

To register your interest please complete and return this form to school. The 'application window' will open at the start of the Summer Term (April) and we will write to all parents who have returned a Registration of Interest form to confirm that a place is still required in Young Explorer's and to indicate your preferred sessions. There will be approximately two weeks to respond to this letter.

Places will be offered in line with our School Admissions Policy with priority given to those with siblings who already attend Saxilby School.

Yours sincerely
