

Weekly Newsletter

16th September 2022

Our monitoring timetable has focused on lunchtimes in the first two weeks of term. This is a very busy and very important part of our day. The more children we have at the school, the busier this time of day becomes. The senior leadership team were thrilled to see how all the children have returned to school, calm and considerate – especially at lunchtimes. The atmosphere in the hall has been super and we could clearly see that the children were trying really hard. The Reception children have done particularly well as it is all new to them!

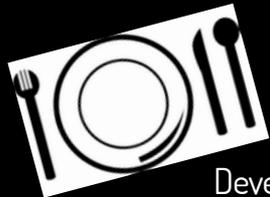

Over the past few months we have been promoting the following points and would really appreciate your support at home with this.

no elbows on the table while eating
using our knife and fork together

only putting on our forks what fits into our mouth – ensuring we cut a nice, appropriate bite sized piece

using our calm, quiet voices while at the dining table

Developing lunchtimes is a key part of our school improvement journey this year. We will keep you updated on what this looks like. Our immediate next steps are

- the children managing their own space after eating ensuring a nice tidy space for the next person
- children taking on leadership roles to help the younger children in the dinner hall

Thank you to all of those children who were interviewed about their thoughts on lunchtime and to those children involved in discussions about this. Your thoughts are vital to our next stage of development.

Harvest Festival

We are still looking for volunteers to help walk the children to and from the church.

Children can bring produce on the day of their Harvest Festival.

KS1 Thursday 22nd September 2:00 - 2:30.

KS2 Friday 23rd September 9:30 - 10:00.

Trips

If your child requires a packed lunch for a school trip and you would normally order a school meal through the meal selector. If you would like Chartwells to prepare a packed lunch for your child please can you select this or amend an existing order from the menu for that day.

After School Clubs

Please keep an eye on parentmail next week for upcoming after school clubs.

PTA School Disco

This will now be on the 6th October.

More information to follow.

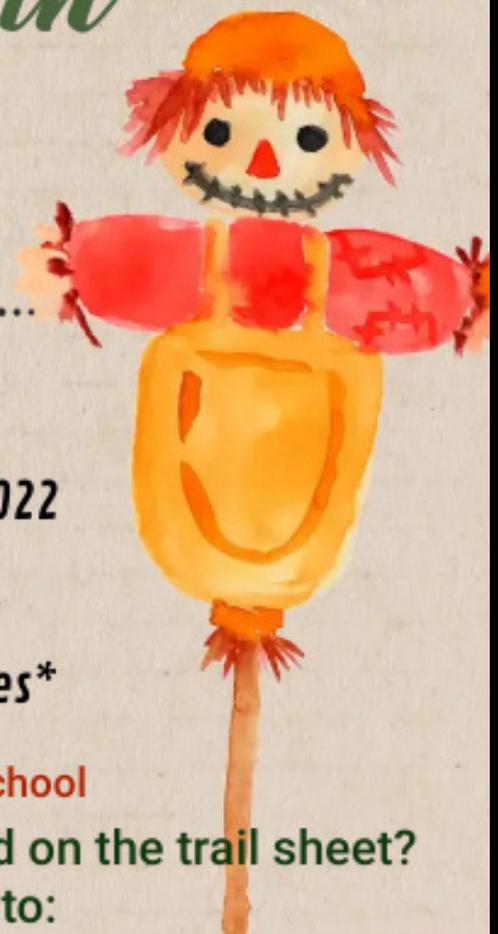

School is closed on Monday
